ZOOMING THROUGH 2020

From online classes to outdoor bootcamps - how Jungle Cats has kept your kids busy!

Strengthening Our Connection

This year has been full of ups and downs (So so many downs), but Jungle Cats has pulled through more motivated than ever!

We want to thank all our amazing students who kept up with zoom classes throughout the year, and still made progress on their skills from their own homes. We know it was tough but we have made it through!

As soon as we heard we would be heading back to the gym, we all put our heads together to organise our Outdoor Bootcamps. And what a success they were!

Our beautiful facilities here in Mornington provided all the space and equipment we could have needed, and the classes ran as if we hadn't had a break at all.

We want to thank all the students who came and participated, and showed off all the hard work you have done over the lockdown period. We are all so impressed with everyone.

Choreography Competition

Giving you the chance to become the choreographer.

In October we ran a virtual choreography competition to give our students the chance to be creative, and perform to a panel of judges.

Keep an eye out for our next Choreography Competition next year!

This September we were lucky enough to attend the Virtual Spring CDT Conference. This conference has many detailed seminars on all aspects of how a cheer/dance school runs, as well as how to make the most out of your classes.

Great knowledge was passed on from coaches all around the world, and Jungle Cats will benefit greatly from all the new information we have.

With a focus on safety and technique, we are confident we can provide the best training in all styles we teach here at Jungle Cats.

Coaching the Coaches

Even though we weren't in the gym, all our coaches were improving their coaching skills.

100 Day Stretching Challenge

We are so impressed with everyone who is currently doing our 100 Day Stretching Challenge. So much improvement from everyone involved, and we can't see your progress from start to finish!

Stretching our way through lockdown.

Students 13+ will be invited to join us on Saturdays for rehearsals in terms 1 & 2. There will be Musical Theatre, Jazz, Lyrical and more.
