SUMMER SEASON

Our first week of Summer Season is in full swing! We are so excited to see how many of you have decided to join us for these 4 weeks. Our coaches have begun their Choreography for the Spirit of AASCF Competition in March and we can already tell this is going to be our most creative year yet!

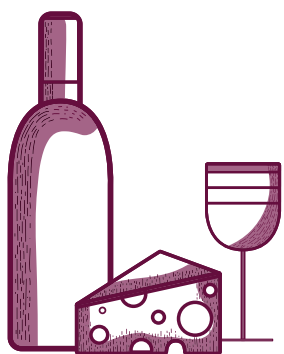

If you would like to join in our Summer Season, you still can! Let us know ASAP and we can sort it out.

From the few weeks we were able to have in the gym last term, to this first week back, we are seeing some huge improvements. It is very encouraging to see all the work our athletes have been putting in at home over the break, and the hard work they are doing in class.

Jungle Buddies

This year we are introducing a Jungle Buddies system. We will pair all of our younger athletes up with one of our older athletes. This means they will always have a familiar face to go to when we are at competitions and events if they need some support, and give them someone to look up to within the school.

Hair and Makeup Masterclasses

We are lucky enough to have a fully qualified hair and makeup artist working at Jungle Cats this year. Coach Lyndsay will be running competition hair and makeup classes to make sure everyone is confident and capable of getting their kids ready for competitions! These classes will also teach you how to look after your child's skin and hair, to avoid damage down the track.

Wine and Cheese Nights

These adults only events will be a chance for our amazing parents to connect with our coaches and each other. We believe it is important for our parents to be as involved in the school as your amazing kids are. These nights will include raffles, games and good times.

Special Weeks

This year we will hold a watching week at the end of each term, to allow parents to come and watch their child's classes. This gives the parents an insight into their child's education and progression in the class.

Dress up weeks will be held around holidays too! We want to see your holiday spirit.

Spirit Week will be in full swing this year too! This is a chance to have a bit of fun in the stressful weeks before a competition.

Keep an eye out for all the other special weeks we have planned throughout the year!

Why not try something new?

We offer so many different styles here at Jungle Cats, why not give something new a try.

We would love to encourage our students to branch out and try something new this year.

If you are a cheerleader, why not give dance a go? Or maybe Aerobics! We want our athletes to be well rounded and offer them as many opportunities as possible.

Adult Ballet & Jungle Kitties

Because our Adult Ballet has been SO highly requested, we are adding another class!

Thursdays 6:30pm & Fridays 1pm

Our Jungle Kitties class has also been a big hit! Bring your 2-4 year olds down for some ballet fun Fridays 2pm.

Open Tumble

Don't forget we offer an open tumble hour on Fridays! This is open to anyone who wants some extra time on the floor with Coach Lizzie to work on their skills.

Friday 6:30-7:30pm
